### SUMMARY

Part-time student and coder, bringing over 6 years of dynamic experience in retail and sales into my transition toward web development and quality inspection. Proficient in MERN stack applications and modern web frameworks. Skilled in dimensional inspection using various measuring devices and interpretation of assembly drawings. Experienced in agile methodologies, including scrum, test writing, user stories, and MVP development. Knowledgeable in quality inspection best practices, material specifications, and adherence to standard operating procedures.

### EXPERIENCE

#### QC Inspector

**NOV | Houston, TX | 02/23 – 12/23**

An American provider of equipment, components, and integrated solutions to the oil and gas industry.

- Conducted thorough inspections on components using a range of measuring equipment including micrometers, gauge blocks, and hardness testers, ensuring compliance with quality standards and specifications.
- Prepared detailed inspection reports, coordinated Non-Conformance Reports (NCRs), and upheld strict adherence to NOV Company and HSE policies and procedures.
- Oversaw source inspections at facilities, verifying the documentation received from vendors and maintaining inspection records.

#### Security Professional

**Allied Universal Security | Cypress, TX | 09/20 – 02/23**

An American provider of security products and services.

- Secured sites and reported all significant activity at various locations.
- Assisted employees, coworkers, and customers with directions, site operations, or special event coordination.
- Helped ensure a safe environment and crime deterrence by remaining visible and attentive to surroundings.

#### Representative

**Sprint | Cypress, TX | 03/18 – 12/18**

An American telecommunications company that offered wireless voice, messaging, and broadband services.

- Exceeded daily/weekly sales goal by 25% - 50% consistently by being knowledgeable in products and promotions.
- Ensured smooth workflow by efficiently performing essential business operations such as inventory, logistics, sales data input, and cash flow.

#### Sales Associate

**Nautica | Cypress, TX | 11/14 – 04/17**

An American apparel and accessories brand.

- Assisted customers with all in-store needs and performed daily business operations and functions.
- Ensured daily business goals were met by being knowledgeable in current products, and promotions, and assisting new team members with best sales practices.
